CONSTRUCTION INDUSTRY FORUM 2025 ANNOUNCED WITH KEY INDUSTRY DISCUSSIONS TO NAVIGATE CHALLENGES

Malé, Maldives, 20th July 2025 – The Construction Industry Forum 2025 will take place on 2nd September 2025 at JEN Maldives Malé by Shangri-La. The forum will gather seasoned industry leaders to address critical challenges and key developments in the Maldivian building and construction sector via value-added presentations, panel discussions, dialogues and networking sessions.

The Construction Industry Forum 2025 (CIF'25) will include panel discussions on the following key topics ;

- Building Financial Integrity and Resilience
- Workforce Managing and Policy Barriers
- Women in Construction
- Market Adaptation of Real Estate and Retail Construction

The construction industry stands as the second-largest contributor to the Maldivian economy, employing one of the nation's largest workforces and playing a vital role in driving all major development projects. While the construction industry is yet to reach its previous peak performance, the industry is slowly picking up, Construction Industry Forum will discuss on how to strategize and tackle these issues, a special focus is highlighted on industry finance areas and to build resilience throughout the sector.

The Construction Industry Forum brings together the gold-standard in building and construction sector, with top-level government personnel, business owners, key stakeholders and decision makers, etc. This exclusive event will host regional industry decision-makers and is proudly supported by the following :

Endorsed By : Maldives National Association of Construction Industry (MNACI)

Sponsored By : Allied Insurance Company

Sponsored By : Ooredoo Maldives

Sponsored By : Print Lab Creative

Construction Industry Forum 2025 will announce the panel speakers and more details about the key event on their respective social media platforms, audiences can purchase tickets for the event, for limited audiences. Learn more on the official website : www.cif.mv
